COORDINATING COMMITTEE

RECORD OF DISCUSSION

ON

PROPOSED GERMAN EXPORT TO HUNGARY OF MODULATING BAYS AND RADIO BAYS

29th September, 1960

Present: Belgium (Luxembourg), Canada, France, Germany, Italy, Netherlands, Turkey, United Kingdom, United States.

Reference: COCOM Document 4130.

1. The CHAIRMAN drew the Committee's attention to a Memorandum by the German Delegation (COCOM Document 4130) regarding the proposed delivery to Hungary of 1 Hertzian link consisting of three modulating bays and three radio bays with one antenna. He invited Delegates to express their Governments' views.
2. The FRENCH Delegate stated that his authorities had no objection to the proposed export. He added that the French technical expert who was present would be prepared, if the Committee wished, to give a technical explanation demonstrating the non-strategic nature of the equipment involved.
3. The ITALIAN Delegate stated that his authorities had no objection in view of the fact that the material involved did not contain modern technical know-how.
4. There were no objections from other Delegations.
5. The GERMAN Delegate thanked his colleagues for their favourable views and expressed particular gratitude to the French Delegation for their readiness to supply technical arguments.
